#### Model Writing

Saturday

Today I went on my breadmaking course! I found out about the course through an online advert, and I asked my best friend Amy to go with me. The teacher gave us a folder with some handouts and recipes and some spare paper in case we wanted to take notes. In the morning, we learnt how to make rolls. I felt a bit nervous at first, but the teacher was great at explaining everything, and by the end of the morning, I felt more confident. After lunch, we made some Italian breads.
